I was late on one of my critiques by about 2 days but i had sent a it thru so i wouldnt get anymore late penalties because the paper yall gave me to crique didnt have anything on it. Now that it is open again. Am i still going to be penalize all 7 days for the critique

Questions to Ponder

How many separate errors do you see?

What is this person's purpose in writing?

Is this a successful e-mail? Why or why not?

Would you send this to your English instructor? Your boss?

If you were the instructor, how would you respond?
